To Whom It May be Concern,

On behalf of the Embassy of the Kingdom of Bahrain in Tel Aviv, we would like to congratulate you on launching and hosting the first Israeli pavilion at the Bahrain International Airshow (BIAS) to be held at the Sakhir Airbase, Kingdom of Bahrain between from the 9th -11th of November 2022.

The Bahrain International Airshow which has been hosted in the Kingdom of Bahrain since 2010, is a great opportunity for ISDEF and Israeli aviation and aerospace companies to meet with industry peers and customers, to showcase their technologies, promote initiatives, create business networking opportunities, and participate in the civil and military delegations' programs as part of the event.

We believe that the participation of Israeli Aviation and Aerospace companies at Bahrain International Air Show (BIAS) is an important milestone in strengthening the relationship between the Kingdom of Bahrain and the State of Israel.

Thank you for your consideration.

Sincerely,

Khaled Yousif Al Jalahma
